IMPORTANT NOTES

All accessory prices are for factory installation. Additional costs must be expected for subsequent installations. Any change to the factory condition' of your vehicle can lead to an impairment of driving and road safety. Accessories recommended by us, original spare parts are specially developed for your vehicle. Accessories, add-ons, conversions or installation parts not approved by LMC can lead to damage to the vehicle and to impairment of the road safety. Even if an expert opinion, a parts approval or a type approval is available for these parts, there is no presumption for the proper condition of the product. Please understand that no liability can be assumed for damages caused by products not approved by LMC or by non-permitted modifications.

We reserve the right to make changes to prices, technical data, facilities and equipment as well as design changes. The information about scope of delivery, appearance and services correspond to the knowledge available at the time of printing. Decorations shown are not included in the scope of delivery. All details correspond to the current status at the time of printing. The stated mass in running order is a standard value specified in the type approval procedure. Due to manufacturing tolerances, the actual weighed mass in running order may deviate from the value stated above. Deviations of up to $\pm 5\%$ of the mass in running order are legally permissible and possible. The technically permissible total mass of the vehicle and the technically permissible total mass on the axle must not be exceeded. This is a recommended retail price in EUR based on German retail prices. Prices in other countries may differ due to currency conversion, country-specific equipment, VAT, fees, transport costs and import duties. Your trading partner will be pleased to inform you about the prices, taxes and fees applicable to your country.

We reserve the right to make technical changes in design and equipment, deviations in color and errors. Color deviations are partly due to printing or lighting technology. Some illustrations include optional equipment that is subject to an extra charge. All prices are in Euro incl. VAT ex works LMC.

With the publication of this price list, the validity of all previously published price lists expires. Valid from 01.08.2022.

FOOTNOTES

- 1) This weight includes the standard design dimensions according to manufacturer information: Liquid, such as fresh water, gas (aluminium bottles) at 100 % and cable drums, without optional extras. This corresponds to a weight of approx. 33 kg (Sassino), 36 kg (Style, Style Lift and Vivo) and 40 kg (Musica).
- 2) Only in combination with the pop-up roof. Button-on insulating mat in the pop-up roof. Not available in combination with hot water heating.
- 3) The skylight in the washroom is omitted with the optional extra of the pop-up roof. The washroom window is standard equipment. In addition, the roof hood and/or roof hood Midi Premium is omitted. Usage of the pop-up roof is not recommended in winter.
- 4) Exterior storage door on 490 K, 582 K remains, however no function since the lower bed must not be set up.
- 5) Installation of a kitchen block (replace the two lower wide drawers with two narrow drawers).

*For detailed notes & explanations on weight issues and vehicle configuration, please refer to the General Notes section.

A man and a woman are shown in profile, embracing each other. The woman is in the foreground, wearing a white top and a colorful floral patterned scarf. The man is behind her, wearing a light blue shirt. They are both smiling and looking towards the right. In the background, a white caravan is parked on a grassy area. The scene is brightly lit, suggesting a sunny day.
